

RCS-500

Reference Ceiling Speakers

The RCS Reference Ceiling Speakers are designed to deliver high quality audio performance. The RCS series features polypropylene woofer cones for durability and low distortion. Each speaker has a 1 inch (25mm) silk dome swiveling NEO tweeter that can be aimed at the direction of the listeners for better sound staging.

The RCS-500 speakers have 20% trimmer speaker frame for reduced visibility. Comes complete with paintable rust-resistant grilles, these speakers can be customized to blend with any decor. Installation is quick thanks to a 3-ear Turn 'N' Lock installation mechanism.

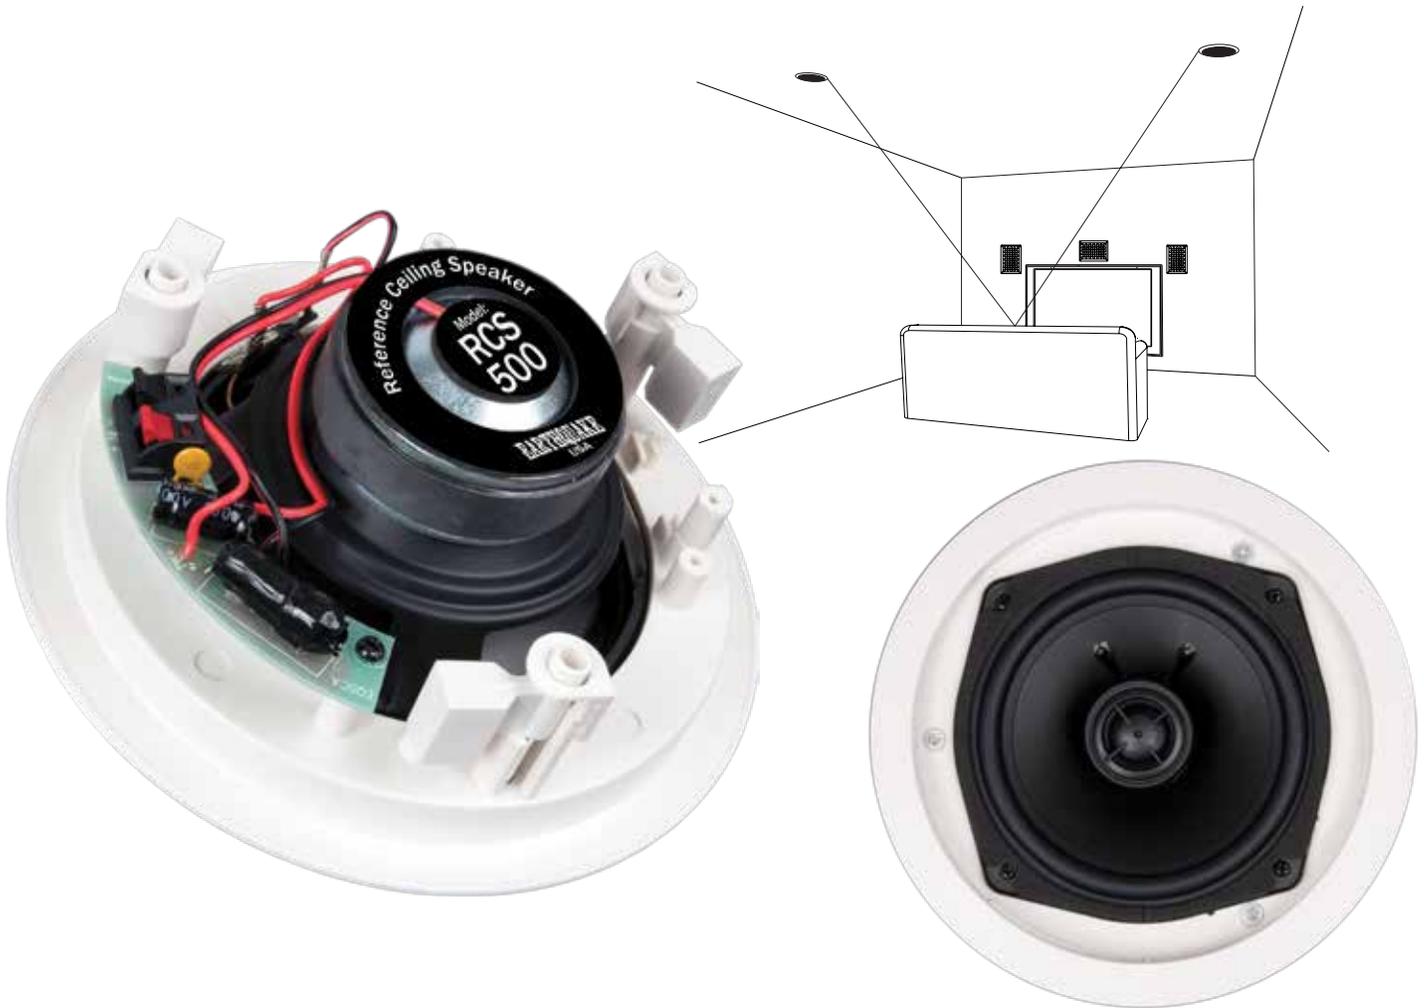

RCS-500 FEATURES:

- 1 inch silk dome swivel NEO tweeter
- Bumped back basket and t-yoke for high speaker excursion
- Wider surround for deeper bass and higher speaker excursion
- 12dB/Octave filter network crossover
- Thermal tweeter protection
- Custom compact spring loaded terminals
- Easy to use Turn 'N' Lock installation mechanism
- 20% trimmer speaker frame for better aesthetics
- Printable rust-resistant grille
